CIA Member, US-MICC

SUBJECT:

US-MICC - 1964 Survey Reports
Forwarded to AD/BI 25 January 1965

Thank you for the three reports you forwarded after our conversation 22 January, which provide some informative background with respect to NIS release matters. The three items, which have been seen only by me and the Special Assistant AD/BI, are returned herewith.

I am delighted that you went to the trouble of a personal visit to develop information relative to the NIS. Please do not hesitate to get in touch if NIS aspects arise in which we might be able to contribute clarifications. We will, in turn, feel we can contact you if this seems appropriate on some US-MICC aspect.
